Messages and Reports

Directors Message

ISI Director Ada van Krimpen reports on the ISI side event during the United Nations Statistical Commission, and gives updates on our two upcoming conferences – ISI Regional Statistics Conference in Bali in March and ISI World Statistics Congress in Marrakech in July. [More>>](#)

Cooperation ICSA and ISI Strengthened

A Memorandum of Understanding (MoU) between the International Chinese Statistical Association (ICSA) and the ISI became effective. The MoU will enhance the cooperation between the two societies and stimulate joint activities. [More>>](#)

ISI Committee on Agricultural Statistics

- Read a brief history of the ISI Committee on Agricultural Statistics, including the mission and objectives of the Committee, an overview of the theme specific International Conferences, the story behind the development of the Global Strategy to Improve Agricultural and Rural Statistics, and more. This brief history is written on the occasion of the 25th anniversary of the Committee. [More>>](#)
- Read the report of the Seventh International Conference on Agricultural Statistics (ICAS VII) that took place in Rome on 26-28 October 2016. [More>>](#)

World Statistics Congress

61st ISI World Statistics Congress 2017 - Marrakech, Morocco

ISLP News March 2017

The Best Cooperative Project Competition (2017) is awarded every two years, in recognition of outstanding, innovative, and influential statistical literacy projects that affect a broad segment of the general public arising from cooperation between different types of institutions, such as national statistical offices, schools, statistical societies, media, libraries, etc. To qualify, projects should be current, make their resources freely available, have statistically sound content and involve cooperation between at least two institutions that would not usually work closely together.
