

You are cordially invited to a spatial statistics workshop

## ***‘Techniques for Spatial Modelling’***

Presented by Dr Inger Fabris-Rotelli (University of Pretoria) and Prof Alfred Stein (University of Twente, Netherlands and University of Pretoria)

Sponsored by CoE-MaSS

Venue: University of Pretoria, Main Campus, Pretoria

Date: 15 – 16 August 2018

Time: 8:00 – 17:00 each day

RSVP: Please register at this [link](#). Registration closes on Friday 10 August 2018.

*Note that space is limited for this workshop. This course is free, but you will be invoiced a R500 fee if you are a no-show. No travel support can be provided unfortunately.*

Enquiries: Dr Fabris-Rotelli [inger.fabris-rotelli@up.ac.za](mailto:inger.fabris-rotelli@up.ac.za) (012) 420 5420

Abstract: This workshop will cover spatial statistical modelling with the introduction of types of spatial data; summary functions of spatial data; marked spatial point process; spatial regression techniques; and spatial sampling.
