

**UNIVERSITY OF THE WITWATERSRAND, JOHANNESBURG
FACULTY OF SCIENCE**

LECTURER - MATHEMATICAL STATISTICS

School of Statistics and Actuarial Science

The School of Statistics and Actuarial Science invites applicants from suitably qualified candidates for the above full time position in Mathematical Statistics.

The School offers Bachelor's and Honours' degrees in Mathematical Statistics and Actuarial Science. Research programmes are offered for MSc and PhD degrees, with a Masters by course-work and research also being offered.

Research is conducted both at a theoretical and applied level in the modern areas where Statistics increasingly finds application.

Qualifications:

Lecturer: An appropriate MSc. – (a PhD will serve as an added advantage) with some teaching and research experience. A record of independent research publications would be advantageous. Applicants with a Masters will need to commit to completing their doctorate within three years.

Remuneration: A generous remuneration package which includes a retirement fund, medical aid, leave, bonus and study benefits, subject to the University's rules and regulations.

Applications: Submit a covering letter accompanied by a detailed *curriculum vitae*, NRF rating (if available), a brief research proposal and teaching portfolio, certified copies of all educational qualifications and identity document with names and e-mail addresses of 3 referees.

To apply:

External applicants are invited to apply by registering their profile on the Wits i-Recruitment platform located at <https://irec.wits.ac.za> and submitting applications.

Internal employees are invited to apply directly on Oracle by following the path: iWits /Self Service application/"Apply for a job"

Closing date: Friday, 3 November 2017

The University reserves the right not to make an appointment and continue searching after the closing date and only short-listed candidates will be contacted.

"The University is committed to employment equity. Preference may be given, to appointable applicants from the underrepresented designated groups in terms of the relevant employment equity plans and policies of the university. The University retains the right not to make an appointment and to verify all information provided by candidates"
